

# TOWN OF MONROE

## OFFICE OF THE FIRST SELECTMAN

### **COVID-19 Pandemic Update** **March 21, 2020**

As announced last night, the Governor has ordered significant restrictions on workplaces for non-essential businesses that will take effect Monday, 3/24/2020 at 8:00 PM:

- Businesses that are impacted by the order may not have an in-person, onsite workforce.
- No later than 8:00 PM on Sunday, 3/22/2020, the state will provide more specific guidance on which businesses provide essential goods, services, or functions and will NOT be subject to the restrictions.
- There will be a process for businesses to submit a request to the state to be deemed essential. We will provide that information as soon as it is available.

The list of businesses that are already deemed essential and NOT subject to this order is significant; click here or go to [www.MonroeCT.org/COVID-19](http://www.MonroeCT.org/COVID-19).
